

A Prayer for Education Sunday

Dear Lord Jesus,

I thank you for this school. I pray that your Holy Spirit will move throughout it so that it's a place of peace and joy. Give the teachers and staff the skills they need today to do their jobs well and give them supernatural energy when they need it. Help all the children to listen carefully, concentrate and understand. Be with those children especially who need extra support or struggle to keep on track.

Send your Holy Spirit over the playground may it be a place of laughter and fun, a place where no one is left out and children are kind to each other. Protect our children from harm and give wisdom to those who manage and make decisions.

Amen
