

## **A Christmas Prayer**

Oh, immortal one who became a child,  
weak and vulnerable.

Help us together to remember you value small and faithful ways  
in a world obsessed with power and speed.

Oh, Prince of Peace, announced  
by choirs of angels filling the sky with light.  
Help us together to be harbingers of peace in  
a world filled with danger, death and destruction.

Oh, King of Kings,  
you first appeared to shepherds  
who shared their joy.  
Unite us as your people to witness to the good news.

Amen.
